2. Treasurers Report – We have \$52.69 in the checking account. Lisa Linnehan wanted to publicly thank everyone who had a say in getting the extra fifth grade teacher, she has seen a difference in her daughter already. Susan Karalias had a question about money for MGBS, is there any way we could budget \$1,500 and what does not get spent will automatically go back into the PTO account to be used else where. They have not been getting the private donations like they used to and have been running short for money and the \$1,000 PTO allots them has not been enough. VOTE to increase money for MGBS to \$1,500 for 2008. All in favor YES
3. Rob: MGBS was a great success, thank you to all. Thank you for the mulch. Curriculum night was well attended and lots of CORI forms were filled out, which is great. School Committee meeting is next Tuesday and will be held at the Donaghue. There are lots of new District people around and things seem to be moving in the right direction. The handbook is on its way; once it gets here it will be sent home with the sign off forms. Upcoming events: gr. 3 Plymouth Plantation, gr. 5 Science Museum. We still need 2 parents to meet 1 x a month for School Council.  
Patty: Sweetsir is in need of a Building Aid for lunch and recess if you know anyone who is interested have them see her. Thank you to all for MGBS. Thank you to the Smith family for the garden work. Curriculum night for Sweetsir is coming at a later date. The Parent Resource room will be reopening, any and all ideas for use/purpose let her know.
